The Server Software source code represents and embodies trade secrets of Actian or its licensors. The source code and embodied trade secrets are not licensed to You and any modification or addition thereto, or deletion therefrom is strictly prohibited. You will not disassemble, decompile, or otherwise reverse engineer the Server Software, except and only to the extent that applicable law expressly permits such actions, despite this limitation. Except as expressly authorized in this Agreement, You will not use, rent, lease, sublicense, distribute, transfer, copy, reproduce, display, modify, create derivative works of, time share or dispose of the Server Software or Documentation or any part thereof. Except with the express written consent of Actian, or as expressly permitted in Section 2 with respect to Vx Server Edition, You may not use the Server Software for multiplexing or to (1) permit third-party access to or use of the Server Software, or use, access, or allow access to the Server Software in any way to benefit third parties, including, but not limited to operating the Server Edition in a service bureau, SaaS, ASP, or other similar hosted environment or (2) use a Server Software to provide or operate hosting or Application Service Provider (ASP) services, Software as a Service, service bureau, marketing, training, outsourcing services, or consulting services, or any other commercial service related to the Server Edition. After Authorization, Actian may verify that use of the Server Software has been authorized and that the Server Software is properly licensed ("Validation"). Validation may re-occur on a periodic basis, when the Server Software is restarted and may also occur during Server Software installation, un-installation, updates and license management activities. In most instances where Actian is unable to validate the Server Software, You will have notice (via an alert or log in the Server Software) before any such suspension or termination in order to permit You to obtain a valid license for the Server Software. Failure by Actian to suspend or terminate Your use of the Server Software despite having an invalid license does not constitute a waiver by Actian of any rights or remedies Actian may have for Your unauthorized use of the Server Software. In the event You uninstall the Server Software and reinstall on a different Server during the transfer itself or during a subsequent upgrade process You may be required to repeat on-line Authorization and/or Validation of Your Server Software. Actian or its licensors.

6. TRADEMARKS. You will not remove or in any manner alter or obscure the copyright, trademark, and other proprietary rights notices of Actian and its licensors appearing on the Server Software or documentation. You will have no right to register or seek to register any of Actian's or its licensors' trademarks, service marks, or trade names, or add any other notices or markings to the Server Software or Documentation.

7. ASSIGNMENT. You may not assign or otherwise transfer in whole or in part or in any manner any rights, obligations, or any interest in or under this Agreement without Actian's prior written consent and any attempted assignment will be void. IN NO EVENT WILL ACTIAN OR ITS LICENSORS BE LIABLE TO YOU FOR INDIRECT, INCIDENTAL, EXEMPLARY, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER UNDER THEORY OF WARRANTY, TORT, PRODUCTS LIABILITY OR OTHERWISE EVEN IF ACTIAN OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM ACTIAN'S OR ITS LICENSORS' NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.
